Keith A. Markey, PhD, *Scientific Director*

Keith Markey is an equities analyst with more than 25 years of experience. In addition to conducting research, he provides advisory services on partnering/licensing, mergers/acquisitions, and financing for companies in the biotechnology, pharmaceutical, and medical device sectors. Previously, Keith held various managerial positions in the Value Line Research Department, supporting the Value Line Investment Survey with original research and by selecting stocks for coverage. He began his career as a biochemist, working in the fields of endocrinology and neuroscience. His research, which resulted in more than 30 publications, contributed to our understanding of regulatory biochemistry and stem cell plasticity. Keith has lectured on scientific and financial subjects and is a member of the Licensing Executive Society and the National Association of Science Writers. He earned a Ph.D. in Neurochemistry from the University of Connecticut and an M.B.A. in Finance from the Leonard N. Stern School of Business at New York University.
